

Central Wire	Procedure	Date: 03/19/13	Approved: Debra Monkhouse
AODA Customer Service		Revision # 1.0	Page 1 of 2

1.0 Purpose:

Central Wire Industries is committed to providing excellent service to all customers including people with disabilities.

2.0 Scope:

This document covers the Canadian operations and compliancy with the Accessibility for Ontarians with Disabilities Act.

3.0 Standards/Procedures:

3.1 Feedback process

Customers who wish to provide feedback on the way Central Wire Industries provides goods and services to people with disabilities can contact us by;

Phone 1-800-267-3761

All feedback will be addressed according to our organization's regular complaint management procedures.

Customers will be contacted within 2 days.

3.2 Feedback Corrective Action

- All calls related to AODA related customer feedback will be forwarded to the Sales Department.
- Customer feedback will be recorded on the Customer Complaints database by the Sales Department.
- Sales will notify Human Resources and the General/Plant manager immediately of the feedback received.
- The General Manager will notify the applicable department (cause of complaint) of the feedback and determine what action is required.
- The discussions will include the Quality Department to determine if a formal Corrective Action is required.
- Human Resources will initiate the follow up call with the customer to advise of the actions taken or proposed actions to be taken.

Central Wire	Procedure	Date: 03/19/13	Approved: Debra Monkhouse
AODA Customer Service		Revision # 1.0	Page 2 of 2
